

Want to consult a vet but distance is getting in the way? **No pawblem!** 🐾

With Telemedicine, you can now book an appointment online to get a consultation for your pet when you are unable to visit the clinic.

- Visit our website and click **book appointment**
- Choose video consultation as the appointment type
- Choose a date and time
- Share your details and you're done!

24/7. On your phone, laptop, or tab!

When to make a telemedicine appointment

Purrfect for:

- Post-surgery follow-ups,
- Discuss any pre-existing conditions or
- Just when your fur baby isn't up for meeting other people.

🐾 Quick confirmation

Receive instant confirmation after you book an appointment with a link to the consultation at the specified time.

🐾 Two way messaging

You can even chat with your vet during the session and share images to make the consultation smooth.
