

# Welcome to Vetstoria!

As Vetstoria's champion or main point of contact, we hope to work with you to help your hospital have a seamless onboarding experience.

Vetstoria can help your hospital team reduce phone calls drastically and save hours every month. As you know, we sync with your PIMs in real time, so you can share your availability for pet owners to book their appointments.

## As the Vetstoria champion, you would...

- Be interested in technology
- Understand the scheduling process at the practice. A few examples include: appointment types, duration etc.
